We are members of ABC - Bayou Chapter; **USGBC** - Louisiana Chapter

We currently have 7 Roll-off Container Trucks and 300 open top dumpsters, consisting of 10, 20, 30, & 40 yards fill capacities.

HAULING:

- Construction and Demolition debris
- Non-friable and friable materials
- CCA treated pilings
- Dirt
- Concrete
- Metal
- Cardboard
- And other debris

Note: All debris is legally disposed of at DEQ certified landfills. We are able to recycle debris for all **LEEDS** certified projects with proper documentation for the material.

Drivers are CDL licensed and trained on Roll-off containers, safety, and have at least 2 years of experience. All drivers are screened by Homeland Security and carry TWIC identification cards.
